

Pertinent Paragraphs

Registered voters of Lemon Grove are asked to vote at the election for a Public and High School trustee on Friday, May 20th. The voting will take place at the Lemon Grove Public School.

A very good reason for registering your vote was brought out recently when it was pointed out that your representative on the school Boards will do better work when he receives a large number of votes.

With just a handful of voters turning out at election time your representative is bound to feel that nobody cares how the affairs of the district are administered. Be a good citizen. Come out and vote for your local candidates.

To Buy Alarm Clock For Van Gilse

"Mac" was so disappointed one morning last week when "Van" didn't show up for the early morning fishing trip, that he decided to do something about it.

He figured that the easiest thing to do was to buy Van a new alarm clock. A collection box was set up at the Avalon Cafe and collect it did. Everything imaginable has been donated, besides money.

There is considerable interest taken in the outcome of the undertaking. The suggestions for a better solution are numerous. So many people feel that a new alarm clock is not the final solution to the problem.

**Briefly Stated
FACTS
About the Community of
Lemon Grove, California**

LOCATION: East on Broadway eight miles from San Diego, 15 minutes driving time.

POPULATION: Estimated at 9,500 — an average increase of about 100 per month for the last five years.

SCHOOLS: Enrollment 1,420. Several class rooms are being built, and a grant of over a quarter million dollars has been made by the state to meet the urgent need for additional facilities. This provides two new schools — to serve the heavily populated areas of Vista La Mesa, (now in use) and Monterey Heights — (now building). A faculty of 44 now employed. (High school, Grossmont Union — free bus.)

CHURCHES: Catholic — a \$50,000 property — has five acres adjoining — a school has been built — first unit now in operation. Congregational — oldest church, is now completing a \$40,000 addition and improvements. Baptist: Building now, on new site — will cost probably \$50,000 when completed. Adventists: have a beautiful old style building, and a one-classroom school, worth around \$35,000. Christian: new building, costing \$20,000 has been completed in Vista La Mesa.

BUILDING: Permits have averaged about \$2,000,000 annually last three years. Over 2,500 homes — and 99% owner occupied.

POST OFFICE: Now in new and modern quarters, fronting on Broadway, and having three times the floor space of the old building — which was built in 1940. Mounted Carriers serve the entire district.

BANK: The First National Bank will open soon, in the new room on West side of Post Office, where they will operate pending the selection of a site, and the erection of a proper banking house, as the need of the community can be determined.

BUSINESSES: Piggly Wiggly, a \$150,000 development, housing their food store, and six additional business rentals; Shopping Center — (formerly Sonka Bros.) long rated the largest store in the county — unincorporated area — based on sales volume; Lemon Grove Review, a semi-weekly newspaper, with up-to-date plant; Cinema-Dine drive-in theatre,

CLUBS: Women's Forward Club, one of the old and popular clubs of the county. Has a large membership and owns, free of debt, a comfortable clubhouse, which is also used for general community meetings, dances, etc. Chamber of Commerce, with 150 paid members. Also other groups of civic nature, including new and aggressive Lions Club, and a Business Men's breakfast club.

PREPARATIONS GO AHEAD FOR CUB SCOUT JALOPY DAY

In making a tour of Cub Scout homes and merchant Jalopy derby sponsors' establishments, a feeling of great excitement and tenseness was felt, as one watched the youngsters sawing nailing and covering their jalopies up in preparation for next week's big race which will be held Sunday, May 15, 1949, at 1:30 p.m. on Glencoe Hill in Monterey Heights. Racers of all descriptions are beginning to take form and each driver believes his to be the winner, which adds up to good competition and should offer all of us plenty of thrills. On this day twenty-six cars and drivers will be on the line ready to go. If you would like

Retires From Board Of Directors

The retirement of C. Sterling Judson from the board of directors of The First National Trust and Savings Bank of San Diego today was announced by Frank J. Belcher, Jr., President and Chairman. Judson had served on the board since January 9, 1923.

Judson developed the Pine Valley sub-division and water system in 1923; purchased the Cuyamaca State Bank in 1924 and was active in its Management until it was acquired by the First National in 1946. He has been one of the county's leading ranchers and owned the Otay and National ranch on Otay Mesa, Sterling Farms, Palm Acres in El Cajon Valley, and other valuable properties in the San Diego area.

Judson was graduated from Yale Sheffield in 1903 and served as a captain in World War I. He has always taken a keen interest in the San Diego County Farm Bureau and in many civic organizations of this area.

Belcher said, in commenting on this retirement, "Judson's advice and counsel have been an important asset of this bank and of the community for more than 25 years. We regret to lose his active participation in the management of this institution."

GIRL SEEKS MATE IN GARY GRANT CHASE

A new aspect of the battle between the sexes forms the intriguing theme of Dan Hartman's production "Every Girl Should Be Married," for RKO Radio.

Starring Garry Grant, Franchot Tone and Dianna Lynn and introducing talented Betsy Drake as the impulsive heroine, the romantic comedy is based on the premise that a modern girl should be allowed to campaign for the man she wants instead of sitting around waiting for a proposal.

When she encounters Grant, a prosperous doctor, Miss Drake decides he's just what she's been looking for, and launches a carefully-planned drive to entice him into matrimony. The doctor is amused by her stratagems, and when she sees they aren't working, she tries a new attack which brings about the story's hilarious complications.

Tone, as her employer, and Miss Lynn, as her startled but loyal companion, play important parts in the gay offering in which Alan Mowbray is featured. The Dore Schary presentation was produced, directed and co-written by Hartman from the story by Eleanor Harris. "Every Girl Should Be Married" opens at the Grove Theatre Tuesday.
